MEMORANDUM FOR: Deputy Director for Central Intelligence

FROM : Sayre Stevens
Deputy Director for Intelligence

SUBJECT : Improvement of Intelligence Coverage
of Cuba

REFERENCE : Your memorandum (ER-76-5477/7), dated
19 Oct 1976, same subject

1. You asked in referenced memorandum that I inform you by mid-December of any additional DDI resources to be allocated to the Cuban problem, a move recommended by the Acting NIO for Latin America.

2. As you know, the reorganization underway in the Directorate will reallocate and refocus many of our analytical assets; the new Office of Regional and Political Analysis, for instance, has plans for extended coverage of the Cuban problem.

3. We are moving forward on other fronts as well:
